

less in there?
 lessers continue - some lessers, others more
 Stewie did little to help him
 do good we see yet just now
 regard his mission they want to make
 members of a big group
 escape not, but they may know
 he can't get away if he tries

now have this food
 good you are happy/hurt if you work +
 (this is SV's job) so I will if
 I am long
 to do this? What about the other
 people who are not interested in this
 like others

work - now
 no ships in our port, maybe we can't
 get what we need from outside
 no ships now to go
 how would NEARCEA apply for this situation
 Supply - base - Bungle.

at least till the place after school comes & picks
 up us that will be CDFA, maybe we'll be
 along 17 since they - something or something
 But I have a lot to do, it's a matter of
 9/10/99

FERNIE WERNERETTE, STEVE SHAFEE

LESA - Land evaluation and site assessment - used to establish thresholds of significance for land conversion developed by Dept. of Conservation.

HEP - habitat evaluation procedure - used by USFWS

Water distribution conditions - how you divvy up water that is provided
